Dear Board of Directors:

We have been engaged to audit the financial statements of Victoria Park Community Homes Inc. for the year ending December 31, 2017. Canadian generally accepted auditing standards require that we communicate the following information with you in relation to your audit.

Evaluation of Internal Controls

Audits include a review and evaluation of the system of internal controls to assist in determining the level of reliance that may or should be placed on the system in assessing the nature and extent of audit procedures to be undertaken.

We will communicate internal control matters that we identified during our audit in our forthcoming management letter.

Significant Accounting Policies

Management is responsible for the appropriate selection and application of accounting policies. Our role is to review the appropriateness and application as part of our audit. The accounting policies used by Victoria Park Community Homes Inc. are described in Note 2 of the financial statements.

There were no new accounting policies adopted or changes to the application of accounting policies of Victoria Park Community Homes Inc. during the year.

Significant Unusual Transactions

We are not aware of any significant or unusual transactions entered into by Victoria Park Community Homes Inc. of which you should be informed.

Accounting Estimates

Management is responsible for the accounting estimates included in the financial statements. Estimates and the related judgments and assumptions are based on management's knowledge of the business and past experience about current and future events.

Our responsibility as auditors is to obtain sufficient appropriate evidence to provide reasonable assurance that management's accounting estimates are reasonable within the context of the financial statements as a whole. An audit includes performing appropriate procedures to verify the:

- calculation of accounting estimates;
- reasonability of key factors such as underlying management assumptions;
- materiality of estimates individually and in the aggregate in relation to the financial statements as a whole;
- sensitivity to variation and deviation from historical patterns;
- consistency with the corporation's business plans; and
- other audit evidence.

Disagreements with Management

We are required to communicate any disagreements with management, whether or not resolved, about matters that are individually or in aggregate significant to the corporation's financial statements or independent auditors' report. Disagreements may arise over:

- selection or application of accounting principles;
- assumptions and related judgments for accounting estimates;
- financial statement disclosures;
- scope of the audit; or
- wording of the independent auditors' report.

We are pleased to inform you that we had no disagreements with management during the course of our audit.

Consultation with Other Accountants (Second Opinions)

Management may consult with other accountants about auditing and accounting matters to obtain a "second opinion". When a corporation requests that another accountant provide a written report or oral advice on the application of accounting principles to a specific transaction or the type of opinion that may be rendered on the entity's financial statements, we are required to ensure that management has ensured that the reporting accountant has knowledge of all facts and circumstances and has conducted the engagement in accordance with Canadian generally accepted auditing standards on the Reports on the Application of Accounting Principles.

We are not aware of any consultations that have taken place with other accountants.

Issues Discussed

The auditor generally discusses, among other matters, the application of accounting principles, auditing standards and fees with management during the initial or recurring appointment of the auditor during the normal course of business. There were no major issues discussed during our audit with regards to our retention that were not in the normal course of business.

Uncorrected Misstatements

We are not aware of any uncorrected misstatements.

Difficulties Encountered During the Audit
